Group Study Exchange with Argentina

Our District will participate with Argentina in a Group Study Exchange for four weeks in April - May, 2010. Through the program, teams of young professionals from Districts 6840 and 4825 will exchange visits. Team members experience the way of life, customs and vocational practices of the two districts, while sharing information about their home countries. The GSE promotes international understanding and goodwill through personal connection. While abroad, team members stay in Rotarians' homes and have the opportunity to meet their professional counterparts. They also give presentations to Rotary clubs and other groups about their home country. Rotary pays for round-trip airfare, and Rotary club members in the host countries provide meals, lodging and group travel in their district. For information see our web site or contact Sharron Newton in Slidell at snewton0959@earthlink.net or by telephone at 985.661.0718.
